MEDICAL MUTUAL®

As part of the Affordable Care Act, health insurance issuers and group health plans are required to provide a Summary of Benefits and Coverage (SBC) to all participants (and their dependents if they reside at a different address).

The SBC(s) applicable to your current plan(s) will be available on EmployerLink or from your sales representative or broker. As the plan sponsor, you are responsible for distributing SBCs to your participants with other written application materials during open enrollment. An SBC must be provided for each benefit package in which a participant or dependent is eligible. If you do not require a written application from your participants to renew, you must provide each participant with the SBC specific to the plan in which he or she is enrolled no later than 30 days prior to the first day of the new plan or policy year.

Please review your applicable SBC(s) carefully. If you make a change that affects the information in your SBC, please contact your sales representative or broker to initiate the change and ensure new SBCs are available for your open enrollment period.

As required by the Affordable Care Act, employees must be notified at least 60 days before the effective date of a material modification (made other than in conjunction with a renewal) if it impacts the contents of the Summary of Benefits and Coverage (SBC). Please be aware of this requirement when considering an off-renewal plan change or a change in carrier.

ALL LIMITATIONS OF LIABILITY OF ANY KIND (INCLUDING IN THIS SECTION AND ELSEWHERE IN THIS AGREEMENT) ARE MADE FOR THE BENEFIT OF BOTH COMPANY AND THE AFFILIATED ENTITIES, AND THEIR RESPECTIVE SUCCESSORS AND ASSIGNS.

17. LIMITATION OF LIABILITY.

To the fullest extent permitted under applicable law, you agree to defend, indemnify and hold harmless Company and the Affiliated Entities, and their respective successors and assigns, from and against all claims, liabilities, damages, judgments, awards, losses, costs, expenses and fees (including attorneys' fees) arising out of or relating to (a) your use of, or activities in connection with, the Site (including all Submissions); and b) any violation or alleged violation of this Agreement by you.

18. LIMITATION OF LIABILITY.

This Agreement is effective until terminated. Company may terminate or suspend your use of the Site at any time and without prior notice, for any or no reason, including if Company believes that you have violated or acted inconsistently with the letter or spirit of this Agreement. Upon any such termination or suspension, your right to use the Site will immediately cease, and Company may, without liability to you or any third party, immediately deactivate or delete your user name, password and account, and all associated materials, without any obligation to provide any further access to such materials. Sections 1 and 12 through 24 shall survive any expiration or termination of this Agreement.

19. LIMITATION OF LIABILITY.

The terms of this Agreement are governed by the laws of the United States (including federal arbitration law) and the State of New York, U.S.A., without regard to its principles of conflicts of law, and regardless of your location. EXCEPT FOR DISPUTES THAT QUALIFY FOR SMALL CLAIMS COURT, ALL DISPUTES ARISING OUT OF OR RELATED TO THIS AGREEMENT OR ANY ASPECT OF THE RELATIONSHIP BETWEEN YOU AND COMPANY, WHETHER BASED IN CONTRACT, TORT, STATUTE, FRAUD, MISREPRESENTATION OR ANY OTHER LEGAL THEORY, WILL BE RESOLVED THROUGH FINAL AND BINDING ARBITRATION BEFORE A NEUTRAL ARBITRATOR INSTEAD OF IN A COURT BY A JUDGE OR JURY AND YOU AGREE THAT COMPANY AND YOU ARE EACH WAIVING THE RIGHT TO TRIAL BY A JURY. EXCEPT AS PROVIDED BELOW REGARDING THE CLASS ACTION WAIVER, SUCH DISPUTES INCLUDE, WITHOUT LIMITATION, DISPUTES ARISING OUT OF OR RELATING TO INTERPRETATION OR APPLICATION OF THIS ARBITRATION PROVISION, INCLUDING THE ENFORCEABILITY, REVOCABILITY OR VALIDITY OF THE ARBITRATION PROVISION OR ANY PORTION OF THE ARBITRATION PROVISION. ALL SUCH MATTERS SHALL BE DECIDED BY AN ARBITRATOR AND NOT BY A COURT OR JUDGE. HOWEVER, AS SET FORTH BELOW, THE PRECEDING ARBITRATION REQUIREMENT SHALL NOT APPLY TO DISPUTES TO THE EXTENT RELATING TO THE INTERPRETATION OR APPLICATION OF THE CLASS ACTION WAIVER BELOW, INCLUDING ITS ENFORCEABILITY, REVOCABILITY OR VALIDITY.

YOU AGREE THAT ANY ARBITRATION UNDER THIS AGREEMENT WILL TAKE PLACE ON AN INDIVIDUAL BASIS; CLASS ARBITRATIONS AND CLASS ACTIONS ARE NOT PERMITTED AND YOU ARE AGREEING TO GIVE UP THE ABILITY TO PARTICIPATE IN A CLASS ACTION. Notwithstanding anything to the contrary in this Section or any other provision of this Agreement or in the American Arbitration Association's Consumer Arbitration Rules, disputes regarding the enforceability, revocability or validity of the foregoing class action waiver may be resolved only by a

civil court of competent jurisdiction and not by an arbitrator. In any case in which ( ) the dispute is filed as a class, collective, or representative action, and ( ) there is a final judicial determination that all or part of such class action waiver is unenforceable, then the class, collective, and/or representative action, to that extent, must be litigated in a civil court of competent jurisdiction, but the portion of such class action waiver that is enforceable shall be enforced in arbitration. The arbitration will be administered by the American Arbitration Association under its Consumer Arbitration Rules, as amended by this Agreement. The Consumer Arbitration Rules are available online at www.adr.org. The arbitrator will conduct hearings, if any, by teleconference or videoconference, rather than by personal appearances, unless the arbitrator determines upon request by you or by us that an in-person hearing is appropriate. Any in-person appearances will be held at a location which is reasonably convenient to both parties with due consideration of their ability to travel and other pertinent circumstances. If the parties are unable to agree on a location, such determination should be made by the AAA or by the arbitrator. The arbitrator's decision will follow the terms of this Agreement and will be final and binding. The arbitrator will have authority to award temporary, interim or permanent injunctive relief or relief providing for specific performance of this Agreement, but only to the extent necessary to provide relief warranted by the individual claim before the arbitrator. The award rendered by the arbitrator may be confirmed and enforced in any court having jurisdiction thereof.

Notwithstanding any of the foregoing: (a) nothing in this Agreement will preclude you from bringing issues to the attention of federal, state or local agencies and, if the law allows, they can seek relief against us for you; (b) each party may seek and obtain temporary injunctive relief in any court of competent jurisdiction; and (c) if you are subject to a Customer Agreement with Company that contains a different arbitration provision, then the terms of such other arbitration provision will govern disputes arising out of or related to this Agreement or any aspect of the relationship between you and Company, rather than the terms of this Section 19.

INTEROFFICE MEMO

TO: Justin Berns
FROM: Steven M. Holtzman, Chief
DATE: November 7, 2024
SUBJECT: Lifeline Rescue Squad

Approved 11/8/2024

Mayor Berns,

Attached is a price quote for a new Lifeline rescue squad. I would like your approval to place this on the next council agenda. Our current replacement schedule for our ambulance fleet is a new rescue squad every 2 years so that we can have a reliable response fleet. With the currently long build times, it has created the need to order rescue squads outside of our normal timetable to try to stay close to those standards. The current build time, for this rescue squad, is estimated to be 30 months. The rescue squad price quote $383,039.00. Please feel free to contact me with any questions that you may have.

Respectfully submitted,

WHEREAS, the Fire Chief has identified a critical need to re-furbish and re-paint a fire truck to extend its service life, preserve its functionality, and to adequately serve the community;

FROM: Steven M. Holtzman, Chief
DATE: November 11, 2024
SUBJECT: Repair of corrosion and repaint of EONE Ladder 1022

Mayor Berns,

We would like to have the corrosion removed/ repaired and repaint of our EONE ladder 1022. We requested pricing from several companies and had 3 quotes returned. The quotes received that addressed all of the corrosion and repaint issues were over $50,000.00. Due to the cost we received approval to competitively bid the project. We received 1 Bid that was considerably higher than the quotes that we received and did not meet the time frame that was requested. We reached back out to the other company for an updated quote to do the job and I would like to recommend using the Matheny company. The Bid package that we received was from Fallsway Equip. Co. and was $165,302.57. They requested 4 months to complete the job. The Matheny company that we received a quote from is in Ocala Florida and are one of the paint centers for EONE in Florida. Their quoted price to do the job is $72,887.60 with an estimated completion in 4 weeks. I would like to request that we move forward and place this on the next council agenda.
Please feel free to contact me with any questions that you may have.

Respectfully Submitted

INTEROFFICE MEMORANDUM

TO: Members of City Council

FROM: Daniel Grispino, Chief of Police

DATE: November 18, 2024

SUBJECT: Police Annual Contract Renewals

I am requesting to waive the formal quote requirement process for three of our current vendors, Signal Service, Hall Public Safety, and TAC Computers. The justification to waive obtaining the additional quotes from other vendors is as follows:

Signal Service-They have been our only provider for maintenance and repair for all of our traffic signals for over 20 years. During that time we have found them to have a fast and reliable response when signals need to be repaired at any time of the day. They have proven to provide quality and reliable work for over two decades. Signal Service is the preferred vendor of several communities within Cuyahoga County due to their reliability.

Hall Public Safety-They have been our only vendor for upfitting emergency equipment for all of our police and fire safety vehicles in addition to our service department vehicles for over 20 years. Hall Public Safety provides us priority response when we need equipment repaired as a courtesy due to our long-standing relationship. This relationship has enabled us to maintain our safety forces fleet up to standards with minimal down time. Moving to another vendor may not offer the same quality of work and response time the City of Beachwood has become accustomed to.

TAC Computer-They are our current vendor for our CAD, records management, and reporting software. The system has proven to be reliable over the years and is essential to our police and fire operations. This software system has been in place for over 20 years. Moving to another vendor would be a significant undertaking with additional costs involved to transfer our current data, not to mention additional training of personnel. Due to these reasons, I do not recommend obtaining quotes from other vendors at this time.

COMMUNICATION

SUBJECT: TAC Computer 2025

Approved 11/12/2024

The Police Chief has recommended renewing the maintenance contract with T.A.C. Computer, Inc. for the City of Beachwood's Police Department. This renewal will cover ongoing support for the CAD/RMS (Computer-Aided Dispatch/Records Management System) and Mobile Data Terminals essential to our department's operations.

This renewal ensures uninterrupted support and maintenance for critical public safety systems that facilitate efficient response and accurate record-keeping. T.A.C. Computer, Inc. has consistently provided reliable service, and renewing this contract aligns with our commitment to maintaining high standards of functionality and security within the Police Department's technical infrastructure.

The renewal is for one year in a total amount not to exceed $47,394.27.

I would like to place this on the next available Council Agenda. Thank you for your consideration.

The following scope is GPD Group's estimate of the tasks needed to manage Beachwood's traffic signal system and respond to City requests:

Alert logs will be reviewed and any reported issues will be investigated remotely or through field investigation to determine whether they are still ongoing or have since been resolved.

4. GPD will attend monthly traffic meetings with the City of Beachwood and discuss any ongoing issues and areas for improvement. GPD will also provide general reviews and offer feedback for other traffic-related items unrelated to the management of the traffic signal system when requested by City staff or representatives.

SUBJECT: Purchase of Ford Mustang Mach-EGT

The police department is seeking to purchase and upfit the city's first all-electric fleet vehicle. The vehicle, a 2025 Ford Mustang Mach-EGT will be utilized and equipped primarily for traffic enforcement and for community engagement events. The primary complaint I have received from our residents is traffic safety, and this vehicle will enhance our ability to respond to our resident's concerns.

The Mach-EGT offers approximately 250 miles on a full charge and can provide approximately $4,000 in annual savings in fuel costs. There is also the added potential benefit of lower maintenance costs and reduced emissions. This is an innovative purchase as we will be the first in Northeast Ohio to purchase a Mach-EGT outfitted for police work. Many agencies outside of Ohio have instituted the Mach-EGT for police work, including the NYPD who purchased over 100 Mach-EGTs in 2023. Police agencies have had initial success with the vehicle and it could be worth exploring an expansion of EVs within the police fleet in the future. Comparatively speaking, the Mach-EGT is approximately $3,000-$4,500 more than a Ford Explorer Police Interceptor. Calculating the fuel costs, this vehicle will offer more cost savings over time than the traditional Ford Explorer.

The vehicle is currently not available on state pricing, as such I am requesting to go out to bid for purchase.
