WHEREAS, the Declaration was established and approved by Council as a condition of a rezoning for a grocery store to be a permitted use on the property in 1991 when Pavilion Shopping Center was an enclosed mall but the City subsequently approved a reconfiguration of the Center, rendering most of the original Declaration's restrictions and stipulations null and void;

Mayor

TO: MAYOR JUSTIN BERNES AND BEACHWOOD CITY COUNCIL

DATE: 12/30/25

SUBJECT: A RESOLUTION AUTHORIZING THE CITY TO ACKNOWLEDGE AN AMENDMENT TO THE DECLARATION OF RESTRICTIONS AT PAVILION SHOPPING CENTER

This Resolution will provide for the execution of an acknowledgement and agree to a second amendment to the Declaration of Restrictions between property owners of Pavilion Shopping Center including Fitzpatrick Enterprises, SMB LLC and Riser Foods Company with the owner of Pavilion Shopping Center.

History: Pavilion Properties Co executed that certain declaration of restrictions, dated October 21, 1991, recorded in Volume 92-5678, page 45 of the Cuyahoga County Ohio Records Office. The restriction was established when it was an enclosed mall, when the City approved the reconfiguration of the center, the old restrictions and stipulations related to the mall became null and void. The only time restriction that remains in place is on the operation of the grocery store and it was treated separately. The time restriction on the grocery store runs until 2030. The City has no current regulation that would prohibit an earlier start for the business and the old deed restriction is now obsolete and will not be enforced. Therefore the only time restrictions that the City considers to be in effect applies to the operations of the grocery store.

Recommendations: This recommendation from the City Economic Development Office, with support from the City Planner, is to proceed with this legislation through the City Council's normal legislative process to allow the property owner to make this amendment to the declaration for support of a new retail tenant within this shopping center.

A RESOLUTION AUTHORIZING THE PURCHASE OF POOL PUMPS FOR THE CITY OF BEACHWOOD; WAIVING COMPETITIVE BIDDING; AND DECLARING THIS TO BE AN URGENT MEASURE

WHEREAS, the City operates and maintains municipal pool facilities that require reliable and properly functioning pump equipment to ensure safe and efficient operation;

WHEREAS, the engineering firm GPD Group has provided the City with specifications for four (4) priority pool pumps that need to be replaced in 2026;

WHEREAS, the City contacted several companies for quotations, and received responses from only two (2) certified manufacturers' representatives, with the lowest and best quote totaling Sixty Thousand Five Hundred Forty-Two Dollars and No/Cents (\$60,542.00) from Henry P. Thompson Company, LLC;

WHEREAS, the lead time on these pumps is approximately ten (10) to twelve (12) weeks, and timely procurement is necessary to ensure installation before the pool season opens;

WHEREAS, the budget for improvements to the pool pumps and pump house is Two Hundred Fifty Thousand Dollars (\$250,000.00), and this purchase will remain within that budgeted amount

WHEREAS, Council finds that waiving competitive bidding for the purchase of the specified pool pumps is in the best interest of the City due to time constraints and the reasons stated above; and

WHEREAS, the installation of the pumps will be competitively bid following a duly noticed advertising period and will be presented to Council for review and approval at a later date.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Beachwood, County of Cuyahoga, and State of Ohio, that:

Section 1: Council hereby authorizes the Mayor to purchase the specified pool pumps from Henry P. Thompson Company, LLC in an amount not to exceed Sixty Thousand Five Hundred Forty-Two Dollars and No/Cents (\$60,542.00), as set forth in Exhibit "A", a copy of which is attached hereto and incorporated herein.

Section 2: Competitive bidding for the purchase of the pool pumps is hereby waived due to time constraints and the reasons stated above.

Re: Pool Pumps – Purchased by City

GPD Group provided the City with specification for 4 priority pumps to replace in 2026. Attached are 2 quotes from Manufacturer's reps who sell the specified pumps. The City received a 3rd quote, but it was later withdrawn (also attached).

The lead time on these pumps is 10 to 12 weeks, therefore they need to be ordered asap, if we want to install them before the pool opens.

The total amount of the lowest quote is \$60,542. The budget for improvements to the pool pumps and pump house is \$250,000 and this quote will keep us within budget.

We hereby recommend Henry P. Thompson Company as the lowest and best bid, at \$60,542.00, with a delivery date of 12 weeks from date of the purchase order.

Joe,

Attached to this e mail is information to replace the Pool Pumps you mentioned in your initial e-mail. You advised you would like to replace PP-1,2,8,and 10. Pumps 1,2,and 8 are Grundfos Pumps and Pump 10 is a Griswold Pump. I have been advised that the old Griswold model has been replaced with the Model 850 by Griswold. The model 850 has the same dimensions and hydraulics as the previous Griswold model. Prices for each of these are listed below, and are again listed on the Beachwood Pool Pump Replacements attached document. Each pump price does include freight and start up service for initial start up of the pumps when they are ready to be put into service for the season. The anticipated delivery time frame for these pumps is 12 weeks. If these need to be in service in late May an order should be sent in sooner than later.

Please let me know if you have any questions or concerns.

PP-1 and 2	\$16,999.00 each
PP-8	\$19,883.00
PP-10	\$9,661.00

A RESOLUTION AUTHORIZING THE MAYOR TO PURCHASE THREE (3) 2026 FORD EXPLORER POLICE INTERCEPTOR VEHICLES FOR THE POLICE DEPARTMENT FROM MONTROSE AUTO GROUP, TO ACCEPT A QUOTATION FROM HALL PUBLIC SAFETY CO. FOR THE UPFITTING OF THE THREE (3) VEHICLES, TO ACCEPT A QUOTATION FROM CLASSIC DESIGNS FOR THE INSTALLATION OF GRAPHICS ON THE VEHICLES, WAIVING COMPETITIVE BIDDING; AND DECLARING THIS TO BE AN URGENT MEASURE

WHEREAS, Council has previously authorized the Mayor to purchase vehicles and related equipment utilizing pricing established through the State of Ohio's competitively bid cooperative purchasing contracts, and further finds that the quotations presented for the purchase of the vehicles, upfitting, and graphics are below the pricing available under the State of Ohio's competitively bid contracts, resulting in cost savings to the City and rendering additional competitive bidding unnecessary;

WHEREAS, the Chief of Police has recommended the purchase of three (3) 2026 Ford Explorer Police Interceptor vehicles from Montrose Auto Group at a unit price of \$44,059.00 each, for a total amount not to exceed One Hundred Thirty-Two Thousand One Hundred Seventy-Seven Dollars (\$132,177.00);

WHEREAS, the City has received a quotation from Hall Public Safety Co. for the upfitting of the three (3) vehicles in a total amount not to exceed Fifty-Six Thousand Two Hundred Thirty-Eight Dollars and Ninety-Eight Cents (\$56,238.98);

WHEREAS, the City has received a quotation from Classic Designs for the design and installation of vehicle graphics in an amount not to exceed Three Thousand Six Hundred Seventy-Five Dollars (\$3,675.00);

WHEREAS, the total cost for the purchase of the vehicles, upfitting, and graphics is in an amount not to exceed One Hundred Ninety-Two Thousand Ninety Dollars and Ninety-Eight Cents (\$192,090.98); and

WHEREAS, Council finds that acceptance of the foregoing quotations is in the best interest of the City and that the pricing obtained is more favorable than that available through competitive bidding or State contract bid pricing.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Beachwood, County of Cuyahoga, and State of Ohio, that:

Section 1: The Mayor is hereby authorized to purchase three (3) 2026 Ford Explorer Police Interceptor vehicles for the Police Department from Montrose Auto Group in a total cost not to exceed One Hundred Thirty-Two Thousand One Hundred Seventy-Seven Dollars (\$132,177.00).

Section 2: The Mayor is further authorized to accept the quotation from Hall Public Safety Co. for the upfitting of said three vehicles in an amount not to exceed Fifty-Six Thousand Two Hundred Thirty-Eight Dollars and Ninety-Eight Cents (\$56,238.98) and to accept the quotation from Classic Designs for vehicle graphics in an amount not to exceed Three Thousand Six Hundred Seventy-Five Dollars (\$3,675.00).

Section 3: For the reason that the pricing for the vehicles, upfitting, and graphics is below the pricing available under the State of Ohio's competitively bid contracts, competitive bidding requirements are hereby waived.

Section 4: It is found and determined that all formal actions and deliberations of Council and its committees relating to the passage of this legislation that resulted in formal action were in meetings open to the public where required by Chapter 105 of the Codified Ordinances of the City.

Section 5: This Resolution is declared to be an urgent measure necessary for the public peace, health, safety, or the efficient operation of the City; and for the further reason it is necessary to purchase these vehicles at the earliest time to ensure the continuing efficient and safe operations of the Police Department; wherefore, this Resolution shall be in full force and effect immediately upon its passage and approval by the Mayor.

Attest: I hereby certify this legislation was duly adopted on the 5th day of January, 2026, and presented to the Mayor for approval or rejection in accordance with Article III, Section 8 of the Charter on the 6th day of January, 2026.

City of Beachwood
INTEROFFICE MEMORANDUM

TO: Mayor Justin Berns

FROM: Chief Daniel Grispiro 

DATE: December 12, 2025

SUBJECT: 2026 Patrol Vehicle Purchase

Approved 12/15/2025

The police department is requesting to replace a total of three (3) patrol vehicles in the patrol fleet. The three vehicles that we are looking to replace are marked police units 1223, 1224, and 1226. All three vehicles are Ford Police Interceptors that were manufactured in 2022. Unit 1223 has a total of 63368 miles and has a total of 9640 run hours on the engine. Unit 1224 has a total of 54118 miles and a total of 9799 hours of run time on the engine. Unit 1226 has a total of 59264 miles, and an engine run time of 11296 hours. Replacing these vehicles will help improve operational efficiency, reduce long-term maintenance costs, and ensure the safety of the officers that rely on them for their daily tasks.

We have obtained a total of three (3) quotes as required and those quotes are attached. We obtained the quotes from Montrose Ford, Statewide Ford, and Bob Gillingham Ford. Montrose Ford had the lowest bid of \$ 44,059.00 for each vehicle with a total of \$ 132,177.00 for all three vehicles. Statewide Ford had the second lowest bid of \$ 44,578.90 for each vehicle with a total of \$ 133,736.70 for all three vehicles. The highest bid was from Bob Gillingham Ford with a price of \$ 44,750.00 for each with a total of \$134,295.00 for all three vehicles. Statewide Ford has the state bid for the Ford Police Interceptors, but Montrose Ford came in \$ 519.90 under the state bid price for each vehicle. The total saving of purchasing all three vehicles from Montrose Ford would be \$ 1559.70.

Hall Public Safety provided a quote of \$ 18,746.32 to upfit each vehicle for a total cost of \$56,238.98 to complete the upfitting of all three vehicles. Hall Public Safety is a preferred vendor of the City of Beachwood, and they have been upfitting and providing maintenance to the police fleet for many years, and we request to waive competitive bidding for those reasons.

Classic Designs provided a quotation of \$ 1225.00 to create and install the graphics for each of the new vehicles. The total cost for the graphics of all three vehicles is \$ 3,675.00. Classic Designs is currently changing the graphics on the entire fleet of police vehicles, and we request that they also be selected to install the graphics on the newly purchased vehicles.

The total cost for the three 2026 Ford Police Interceptors, the upfitting of the three vehicles and the installation of the graphics for the three vehicles is \$ 192,090.98. The quotations from the three Ford dealerships, the quotation from Hall Public Safety and the quotation from Classic Designs are attached to

this correspondence for review. If you have any questions or need any information concerning this matter, please contact me at any time.
